N.B.—Should the number of candidates who have applied to be examined at any one of the above centres fall short of *fifty*, the candidates that selected that centre must be prepared to proceed, at their own expense to the nearest centre where the examination may be held. Timely notice will be given to the candidates concerned.

2. *If a candidate who belongs to one Indian State selects a centre in another Indian State, he should submit his application for admission to the examination through the examining authorities of the State to which the centre selected belongs, so that they may have an opportunity of disallowing the selected centre and directing the candidate to select a centre in the State of which he is a resident. When objection is not taken, candidates may conclude that their names will be registered for examination at the centres mentioned by them in their applications.*

3. No notice will be taken of the application of any candidate who selects a centre which is not in the above list, and *no candidate will be allowed to name more than one centre.* No candidate will on any account be allowed to change the centre of examination entered in his application, which must invariably be the place where he is employed or ordinarily resides or should it not be a centre the place nearest to it where the examination is held. A candidate appearing for examination at a centre other than the one mentioned by him in his application must be prepared to have his examination annulled.

4. In addition to the above centres, the Commissioner will be prepared to arrange for the holding of the *Written* examinations in any of the subjects mentioned at any other place if he is satisfied that not fewer than *fifty* candidates are likely to offer themselves for examination, and it is advisable to make such place a centre. Applications for the inclusion of such place or places in the list of centres should be made to the Commissioner through the local educational or other authorities concerned before the 15th August. Ordinarily, however, only one place will be constituted a centre for each district.

5. Candidates whose Examinations, either Written or Oral and Practical, cannot be arranged for at any place must, *at their own expense*, proceed to Madras or to the nearest centre where they are held in the subjects in which they appear.

6. The Oral and Practical Examinations in such subjects as require them will be held at those places only where satisfactory arrangements can be made for the conduct of such Examinations.

N.B.—To guard against disappointment in the case of such of the Oral and Practical Examinations as may be held either before or after the Written Examinations, candidates are recommended to refer to Part I-B of the *Fort St. George Gazette* from time to time as no intimation will be sent to them.

III. SCALE OF FEES, WHEN AND WHERE TO BE REMITTED BY CANDIDATES.

1. The following is the scale of fees to be paid by candidates for admission to the examinations :—

	Lower grade.	Higher grade.
	Rs.	Rs.
For each subject ..	6	12

N.B.—No candidate will be permitted to come up for examination in more than one grade in the same subject *at the same time.*

2. Candidates who have passed in the Second Class in any subject and grade may come up to qualify for the First Class in that subject and grade on paying the full examination fee.

3. Where the subject is one in which the examinations is divided into stages, for example,—Tailoring—candidates having failed in one or two sections in the subject and grade may come up in that section or sections on paying the full examination fee that is prescribed for that particular grade they wish to apply.

4. The prescribed fee must be paid in every case into a Government Treasury, or, if at Madras, into the Imperial Bank of India, and the receipt given by the Treasury Officer or the Imperial Bank of India attached to the application, which must in every case reach the Commissioner's office on or before the 31st August.

Applications for admission to the examination submitted after the prescribed date will be entertained only on payment of a penal fee of one rupee each and no such applications will be entertained after the lapse of fifteen days from the prescribed date.

On no account will the fee be received in the Commissioner's office whether sent in cash or by Post Office orders. Neither M.O. coupon nor any temporary receipt that may have been granted, can be accepted. It is therefore incumbent upon the candidate to obtain a receipt from the treasury officer to whom the amount was sent and forward the receipt as obtained to the office at once—care being taken to see that the receipt also reaches the office by the date prescribed for the submission of applications. No application will be registered unless it reaches the Commissioner's office by the date prescribed.

6. *The fees paid will, in no case whatsoever, be refunded nor will it be entered, for a subsequent examination. Neither will any excess fee that may have been inadvertently paid be returned. Candidates are warned to study the Notification carefully and satisfy themselves, before remitting their fees, that they fulfil the prescribed conditions of admission to the examination and that they can, if necessary, proceed at their own expense, beyond the limits of the examination centre selected by them, for the purpose of undergoing the Written or the Oral and Practical examinations.*

IV. APPLICATION FORMS—PROCURING OF—FILLING IN AND THE SUBMISSION OF APPLICATIONS, "CERTIFIED WORKS," DRAWINGS, PLANS, ETC., ON OR before the 31st August.

1. Candidates must send in their applications made out clearly in English on printed forms so that they may reach the Commissioner's office on or before the 31st August, after which date and for fifteen days only applications will be entertained on payment of a penal fee of one rupee and no such applications will be entertained after the lapse of fifteen days from the prescribed date.

2. Candidates in the mufassal should obtain the required application forms from the treasury of the taluk in which they are residents or of the district to which they belong. Candidates in Mysore and Hyderabad States should obtain the same from the Resident's Treasury; those in Travancore, Cochin and Pudukottah States from the Agent's Treasury, Trivandrum; and those in Coorg from the Treasury Officer, Coorg, Mercara. Candidates who are residents of Madras should apply for application forms to the office of the Commissioner for Government Examinations, Cathedral Post Office (Madras), and not to the Collector of Madras.

N.B.—No notice will be taken of any application from candidates in the mufassal requesting to be supplied with application forms from this office.

3. Only one application form should be used by each candidate, although he may bring up several subjects and come up for different grades.

4. Candidates should write their names in Block capitals, their father's names and their house names *distinctly* and *in full* in their applications; if 'Other Hindus' they should state in column 3 of their applications whether they are 'Non Brahman Caste Hindus,' 'Adi-Dravidas' or 'Adi Andhras'.

5. Only one centre ought to be selected by each candidate, although he may offer several subjects for examination and come up for different grades. The centre selected must invariably be the place where he is employed or ordinarily resides.

All pupils coming up from the same institution must select the same centre, and the applications of all of them should be forwarded together (along with a covering letter stating the number of applications).

by the head of that institution, an application of any *private* candidates being enclosed with them applications

NOTE.—Candidates should particularly satisfy themselves by a reference to the footnote quoted in the notice under the heading 'II—Centres of Examinations' as to whether the examination in the particular subject and grade they wish to apply will be held at the centre selected by them.

6. Every application should contain satisfactory proof of the applicant's general educational attainments by reason of which he is eligible to appear for the examinations in the subjects and for the grades in them brought up by him

NOTE.—(1) (a) In the case of those candidates who have completed the Secondary School-Leaving Certificate, full particulars with regard to the name of school, the year when and the serial number of the certificate;

(b) in the case of those who have passed the Matriculation or F A or Intermediate in Arts or B A Degree Examinations, full particulars with regard to the date and page of the *Fort St. George Gazette* announcing their success in the examination as the case may be, should be correctly furnished in the columns provided for the purpose in the prescribed application form for admission to the Government Technical Examinations;

(c) In the case of those who do not come under any one of these should take care to see that the certificate either of A or B on the back of the application form is submitted with the antecedents duly made out and certified accordingly by the authorities concerned; and

(d) in the case of those who come under the category of (c) supra and whose general educational qualification is lower than that prescribed under Article I of the Notification regulating the Government Technical Examinations, should submit also a certificate from a competent person, that is, from one who has passed the Advanced or the Higher Grade examinations in the subject for which the candidates are applying.

(2) Candidates who do not possess the required general educational qualifications but even appeared and failed in a particular subject and grade, or were once permitted by the Commissioner to make up in a particular subject and for a particular grade will be admitted, *provided* that they are appearing in the same subject and for the same grade and that in the former case, they quote in their applications for admission to the examinations, the year when they failed and the centre at which they appeared and in the latter case, the number and order of the Commissioner granting them the permission.

7. The subject, the applicant desires to be examined in, should be specified exactly as it is described in the Notification regulating the Government Technical Examinations or as they are described here in this notice under the heading "I. Subjects of Examinations."

8. *The occupation or profession of candidate, or the appointments held by them and their addresses (postal address) should invariably be stated in full in column 10 of their applications*

NOTE.—*Candidates should particularly see that they do not fail to sign and date their applications at the columns provided for the purpose*

9. Heads of institutions are requested to see, before the certificate at the foot of the application form is signed by them, that their institution has been recognized by the Director of Public Instruction, Madras, or by the Director of Industries, Madras, as fitted to impart instruction in the *Technical* subjects and for the grades in them brought up by their *pupils* and that they quote in the applications the number and date of the proceedings of the authority that accorded such recognition.

N B.—Heads of institutions recognised for *General Education only* should not sign the certificate at the foot of the application form filled in by any of their pupils coming up for any of the Technical Examinations.

NOTE.—(1) Candidates are particularly requested to note carefully the notes printed under the headings 'I. Subjects of Examinations and II Centres of Examinations', where they fill in the application forms and such particulars as they are necessary, must invariably be noted by them in their applications in unequivocal terms.

(2) Applications defective in any particular will be returned.

B 2

10. Each candidate must, wherever the syllabus requires it, [for example, for the examinations in Building Materials and Construction (Higher Grade), Hydraulics and Irrigation Works (Higher Grade), Surveying and Levelling (Lower and Higher Grades), Machine Drawing (Lower Grade); Lacemaking (Lower and Higher Grades); Needlework and Dressmaking (Lower and Higher Grades) and Embroidery (Lower and Higher Grades)] submit, **before the 31st August,** the necessary drawings, plans, surveys, field books, estimates, or other "certified works." Each of the drawings, etc, submitted must have entered on it the name of the candidate, the subject and grade of examination for which he appears and the centre at which he appears, and must be certified to be his own unaided work by the head of the institution or office to which he belongs, by an officer of the Public Works Department not below the rank of Supervisor, by a District Board Engineer, by an Engineer of the Corporation of Madras, or by an Engineer of any Railway Company.

Candidates are specially warned that no certified works will be valued by the Examiners unless the certificate of authorship is in each case quite satisfactory and specifies clearly the period of time occupied in the execution of each work and unless the Examiners are satisfied as to the identity and qualifications of the persons granting the certificate. Further, if any suspicion attaches to any certified works submitted by pupils from technical schools, the Commissioner will be compelled to recommend to the Director of Public Instruction or to the Director of Industries the withdrawal of the departmental privileges enjoyed by the schools. Private candidates, whose certified works are in any way suspected by the Examiners, will be liable to have their examination invalidated and also to be debarred from appearing for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit.

It must be particularly noted that the drawings, etc, of each candidate should be submitted in a separate roll for each subject and for each grade (i.e, the drawings, etc., for a number of subjects should not be rolled up together), and that the drawings, etc., of a number of candidates should not be sent in one and the same roll. *Also on the outside of each roll for each subject each candidate should enter the following particulars* in full :—

(1) Name of candidate,

(2) Centre of examination as chosen by the candidate in his application for admission,

(3) Subject,

(4) Grade, and

(5) Total number of drawings in each roll.

As the application has to be kept in the office and as the drawings, etc, have to be forwarded to the Examiners, *the application itself should be sent in a separate cover and not rolled up with the drawings, etc.*

A candidate who failed, or having applied, did not appear, at a previous examination must submit fresh drawings, etc. **The drawings, certified works, etc., submitted will, on no account be returned as they are treated as part of their answer papers.**

Candidates are warned that the application itself should not be enclosed with any drawings, plans, surveys, field books, estimates, or other 'certified works' that may be sent, but should be submitted in a separate cover.

11. In submitting an application for admission to any examination the candidate will be deemed to have given an undertaking that he will abide by all the rules now in force or those to be brought into effect hereafter in respect of that examination, including the following:—No revaluation of answer papers is permissible.

12. Each application should be sent direct to the undersigned, post paid, superscribed and addressed as follows, *the except for the fee paid being securely fastened to it*:—

Application for admission to the Government Technical Examinations.

To

The Secretary to the Commissioner for Government Examinations,
Cathedral Post Office (Madras).

N.B.—Candidates anxious to assure themselves that their applications have been received should enclose *an addressed postcard* (with the required postal stamp affixed) *in their respective applications*. The postcards should bear the sender's address only and no other writings. Such postcards will be returned to them in due course with the 'Received' stamp of the office impressed upon them. No other form of acknowledgment except that required by the Postal rules regarding registered covers can possibly be given nor *will any notice be taken of any letter from any candidate inquiring whether his application has been received. Insufficiently stamped covers will be rejected.*

V. DRAFT TIME TABLE.

Subject to any change that it may be necessary or convenient to make in the arrangements, the Written Examinations will be conducted in the order of day, time and subjects as shown in the following table.

Where no text-books are mentioned in the syllabus, it must be presumed that no text-books have been recommended.

Candidates are also recommended to refer to the notice that will be published in Part I B of the *Fort St. George Gazette* early in November regarding the final order of day, time and subjects according to which the examinations will be entrusted; the places of examinations both at Madras and in the mufassal; and Regulations to be observed by candidates both at Madras and in the mufassal.

3. Candidates are further informed that no notice will be taken of any letter from them requesting to be informed of their Register Numbers as they are expected to learn these from the extract of the Nominal List that will be posted at the entrance to the hall at each place of examination two days before the commencement of the examinations.

4. *Any candidate who does not behave properly towards the Chief and Assistant Superintendents of the examinations or is suspected of having had recourse to malpractice of any kind in India to have his examination annulled and also to be debarred from appearing again for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit, or if the Commissioner is not satisfied, for any reason whatever, as to the trustworthiness of his results, he may be required to undergo a re-examination at some future date to be fixed by the Commissioner in any one or more of the subjects of the examination for which he appeared, his success or failure being determined on the result of such re-examination.*
